

Career Conversations 2023 Bringing families together

Career information for families

As parents/carers, you are the greatest influencers of your children's career decision making. Together with schools we can prepare young people for the many opportunities and challenges ahead.

We all need to be having career conversations beginning much earlier than secondary school.

Armed with accurate, up-to-date information, families can explore together the full range of options and pathways open to young people.

Join the conversation about post school options at our free parent events in your local area. Come and hear about:

- exploring university and training pathways
- career pathway information for young people with disabilities
- where to find accurate, up-to-date career pathway information
- where the jobs are
- what employers and industry are looking for.
